**Postcards delivered recently telling householders about the changes contained INCORRECT information.**

**Householders will receive details in the next few days confirming their new waste collection service.**

**We apologise for any confusion this may have caused.**

### WHAT

If you live in the East Neuk area you will soon be provided with a Brown Bin to recycle your garden waste.

Householders with the three bin system (brown, blue and grey) in the areas listed above will receive an information pack detailing the change of service.

**Your brown and grey bins will be collected one week and your blue bin will be collected the following week.**

### WHEN

**Starting Monday 3rd March**

If your household is moving to the new waste collection service, you will receive a postcard telling you about the changes.
