

Leuchars Community Council (LCC)

Newsletter (3rd Edition)

Let's Light Up Leuchars campaign has now raised over **£6,000** since August which is a fantastic achievement and there **WILL** be festive lights in the village this year for the first time ever!

The success of this project has been down to the fantastic generosity and support from the local people and businesses and we wish to say a massive thank you to everyone that has contributed including The St Andrews Links Community Trust for their amazing £3,500 grant.

Welcome to our third and last newsletter in 2017. This has been an extremely busy year and our monthly meetings well attended – it has been lovely to see so many new faces and whilst we may not have been able to resolve all the issues raised, we will continue to work with all our stakeholders in 2018 to get the best for the Leuchars Community

Next Meeting will be held on Tuesday, 5th December at 19:00 hrs

in the Community Centre - All Welcome

JUNCTION GARDENS – The area is looking fabulous and it now makes a lovely entrance to the village again. Many thanks to the willing volunteers who have given up their time over the past few months to cut the grass/bushes and clear up the area. An area around the RAF Rotunda has been planted with 140,000 Flanders Poppy seeds which we are hoping will flower next year in celebration of the end of the First World War. Also, thanks to the Community Pay Back team who have gone beyond their remit to help tidy the Gardens and cut the grass.

There is a Community Noticeboard located in the Gardens which has been cleaned and will be fitted with a new fastener in the next few weeks but will not be locked. Please feel free to put up posters and notices to let people in the area know what is going on.

HANGING BASKETS – The baskets have now been removed by volunteers from the Army and are in storage for next year. The intention is to plant the baskets next year and hang them back up ourselves which will save a considerable amount of money.

PLANTERS – There are many planters in the village and we will be looking for people to look after them in the New Year. We already have people who have volunteered to do this for the ones near their homes – would you like to be involved in this project and help to keep Leuchars in Bloom? Is there an area in Leuchars that you feel a planter should be placed? If so, please get in touch.

Information is kept current on Leuchars Community Council and Let's Light Up Leuchars Facebook pages and also on our website <http://leuchars.org.uk/> however in response to feedback from the Community we have applied to Fife Council for funding to purchase an additional Noticeboard to be placed in the village.

Four Newsletters will be published in 2018
