

# LET'S LIGHT UP LEUCHARS

We are launching a new project to install Festive Lights and a Xmas Tree to Light up the streets over the Festive Period

This is a Community Project and we warmly welcome everyone to be involved including local businesses, community groups, villagers and military families.

Do YOU think this is a good idea?

If so, can you help raise funds?

*Lottery Funding has been applied for but if anyone has any ideas on how to raise the additional money required please let us know. We urge you to get involved – Let's Light Up Leuchars!*

The more money we raise the better the display!

You can donate online by Bank Transfer

## LEUCHARS COMMUNITY COUNCIL (LCC) NEWSLETTER

### FLOWERS AND PLANTERS

LCC spent a major part of their annual budget on making the village bloom by purchasing flowers, planters and hanging baskets. Mr and Mrs Finnie (previous Chairperson) were very pro-active in making this happen however they have now both retired. We want to continue this work but we need help from you to make it happen. Could you spare a few hours a week/month to assist – could you offer to look after a couple of planters? If so please get in touch – details below

### JUNCTION GARDENS

(land beyond Aitken Place to the Railway which now belongs to Leuchars Community)

This area became very unsightly and overgrown recently due to several factors but mainly broken machinery and lack of Manpower. Previously the Community Payback Team (CPT) assisted but were unable to continue for Health and Safety reasons due to dog fouling.

**GOOD NEWS** – Some very keen volunteers have fixed the machinery and cleared the area and it is now looking very good. Hopefully CPT will resume their assistance but we need more volunteers to help look after this area - if you can offer to help please get in touch. And we would ask Dog Owners please act responsibly and clean up after your dog!

Picnic Tables and Benches have been purchased and will be sited in Meadow Park

### Future Plans

To further enhance Leuchars – we need your ideas and opinions – what do you want to see?

Is anyone interested in having their own allotment?

Current Suggestions: to plant a Fruit Trail around Meadow Park through to Junction Gardens

To upgrade the existing play equipment in both Meadow and Pitcairn Parks

Wild Flowers to be planted in part of Junction Gardens to make them more manageable

It is Your Village, Your Community, Your Ideas, Your Thoughts and Your Opinions are very important – please get in touch and let us know what you think?
